

The Student Guide.

SETAC NORTH AMERICA 47TH ANNUAL MEETING

MONTRÉAL, CANADA - 2-5 NOVEMBER, 2026 🍁

The **North America Student Advisory Council**, or NASAC, would like to welcome you **Montréal!**

NASAC is an affinity group for the student members of **SETAC North America** (SNA). NASAC provides a voice for the students of SETAC North America (SNA), organizes student events at the SNA Annual Meeting, and develops the future scientists of SETAC.

This guide was created to help improve the student experience by providing an overview on:

INSIDE

- | | |
|-------------------------|----------------------------------|
| 1 Student events | 4 Meeting tips |
| 2 More to add on | 5 Connect with Students |
| 3 Montréal tips | 6 Get involved with NASAC |

SETAC NORTH AMERICA 47TH ANNUAL MEETING

Meeting *Tips*

- ◆ Give a great presentation
- ◆ Make meaningful connections

Student Corner tip: feeling lost? Come find a friendly NASAC face at the Student Corner in the Exhibit Hall — we've all been first-timers.

Getting *there*.

From YUL airport

Bus 747 (\$11.25 CAD) runs 24/7 from YUL to downtown — the fare is a 24-hour pass valid on bus, métro and REM. On board it's cash only, exact change!

Ride share apps (Uber, Lyft) and taxis are available — a taxi downtown is a ~\$48 flat rate.

Important addresses

Palais des congrès de Montréal (venue) — 1001 Place Jean-Paul-Riopelle, métro Place-d'Armes.

3 Brasseurs (Student Trivia & Mixer) — 105 rue Saint-Paul Est, Old Montréal, ~10 min walk from the Palais.

Registration desk — main entrance hall of the Palais (see meeting program).

Getting *around*.

Join NASAC

NASAC was created to provide a voice for student members of SETAC and to represent student interests within SETAC North America. We meet monthly to plan events for the Annual Meeting and to encourage student participation in the society.

All students are welcome — undergraduate, master's, or doctoral students interested in learning more about SETAC North America, as well as Regional Chapter Student Representatives.

How to join: come say hi at the NASAC General Meeting (Tuesday 17:30) or the Student Corner — or reach us on Slack.
